

Frankston Pathways for Carers

Are you a carer for someone with disability, mental illness, or who is ageing and needs additional support?

Join us for our free, monthly gathering of carers who meet for a gentle stroll along the Frankston foreshore boardwalk, before chatting over complimentary morning tea. Learn about news and supports available to carers from locals services.

This program is brought to you by Orwil Street Community House, Frankston City Council and Brotherhood of St Laurence NDIS, with support from Carers Victoria.
